

MAIZE MAZE

2011

1/2 mile east of Elgin

THEME IS:

**“ Telephone and it’s contribution to our
agricultural past.**

.TEACHERS- Plan your fall field trips to the Maze and Gilbertson Nature Center. Kids can pick their own popcorn, learn how to clean and process it, pick their own Indian corn, learn about the telephone during early farming days.

Learn about machinery used by
our ancestors to produce corn

**AND of course GET LOST AND LEARN HOW TO READ A MAP AND
GET OUT OF A CORNFIELD MAZE.**

Easily spend 4 hours at the site.

Picnic tables and fire ring available

Educational groups COST-- CHURCH, SCOUTS, SCHOOLS

\$3/person
